URANO

SCURO A DOGA INTERNO/ESTERNO REALIZZABILE
CON DOGA INTERNA ORIZZONTALE (STANDARD) O VERTICALE

SCURO CON DOGHE ORIZZONTALI/VERTICALI

LO SCURO URANO, REALIZZATO CON LA CARATTERISTICA DOGATURA VERTICALE ESTERNA/ORIZZONTALE INTERNA RICHAMA PER LA SUA CONFORMAZIONE LA FORMA DEL CLASSICO SCURO IN LEGNO.

Disponibile nella versione standard o nella versione coibentata caratterizzata da un migliore isolamento termico ed acustico.

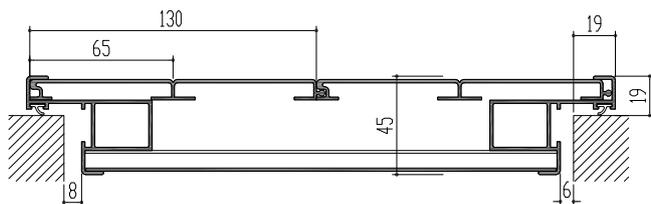

PARTICOLARE "INCONTRO SPAGNOLETTA".

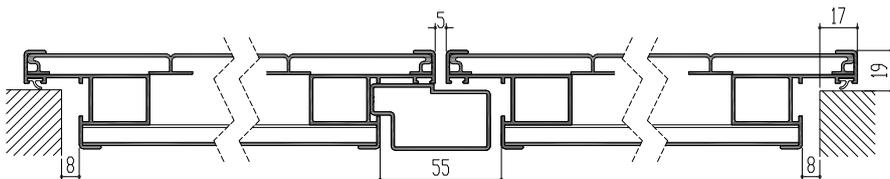

DETTAGLIO GANCIO SPAGNOLETTA DI CHIUSURA.

MERCURIO

SCURO A SCANDOLA ORIZZONTALE
INTERNA/DOGA VERTICALE ESTERNA

SCURO CON DOGHE VERTICALI E SCANDOLE ORIZZONTALI

LO SCURO MERCURIO È REALIZZATO CON DOGATURA VERTICALE ESTERNA E CON SCANDOLE ORIZZONTALI INTERNE

Disponibile anche nella versione coibentata caratterizzata da un migliore isolamento termico ed acustico. Realizzabile nelle versioni finestra e portafinestra incardinata direttamente a muro o con telaio di cassa perimetrale a scelta tra (TZI) (TZU) (TZS) e (TLS).

Disponibile in versione scandole interno/esterno (optional)

Nelle foto: esempio versione su telaio perimetrale (TZI), per la versione cardini a muro i profili anta sono gli stessi del modello URANO delle pagine precedenti.

NEW RUSTICO

SCURO A DOGHE VERTICALI CON SPECCHIATURA
IN RILIEVO ALLA "BOLOGNESE"

LO SCURO NEW RUSTICO REALIZZATO CON LA CARATTERISTICA DOGATURA VERTICALE DA 90 MM, RIPRODUCE FEDELMENTE LA CLASSICA CONFORMAZIONE DELLO SCURO IN LEGNO COMUNEMENTE DENOMINATO ALLA "BOLOGNESE".

Un prodotto elegante ed affidabile, realizzabile così come il resto della gamma, nelle versioni per finestra o portafinestra incardinate direttamente a muro. Realizzabile con fascia centrale anche nella versione finestra (optional).

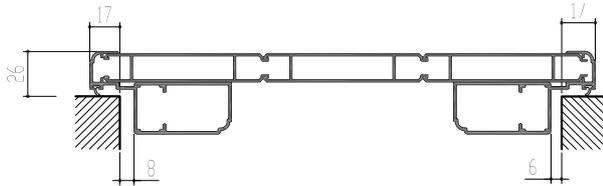

FORNITO DI SERIE CON FASCIA INTERMEDIA SU PORTEFINESTRE, MENTRE SU FINESTRE A RICHIESTA CON SOVRAPPREZZO.

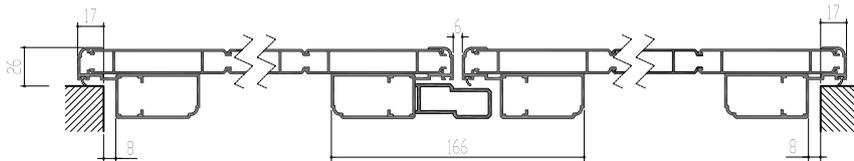

CHIUSURA CON SPAGNOLETTA DI SERIE.

ICARO

SCURO PIEGHEVOLE VERSIONE ALLA VICENTINA
E ALLA PADOVANA CON SPESSORE ANTE DA 32 mm

LO SCURO PIEGHEVOLE ICARO È DISPONIBILE NELLA DOPPIA VERSIONE ALLA "VICENTINA" (SI RIPIEGA VERSO L'INTERNO) ED ALLA "PADOVANA" (SI RIPIEGA VERSO L'ESTERNO).

La versione alla "Padovana", è realizzata con cerniere a scomparsa contribuendo a dare un tocco di classe in più ad un prodotto già decisamente elegante.

ICARO contribuisce ad allargare la gamma dei prodotti disponibili e con i suoi ingombri ridotti unitamente alle diverse possibilità di incernieramento è una valida proposta nei casi in cui si debba operare in spazi limitati.

Telaio ad "L" di serie.

GIOVE 16

MINI SCURO PIEGHEVOLE
CON SPESSORE ANTE DA 16 MM

IL MINI SCURO GIOVE 16 SI CARATTERIZZA PER GLI INGOMBRI ASSOLUTAMENTE RIDOTTI E PER LE CERNIERE A SCOMPARSA.

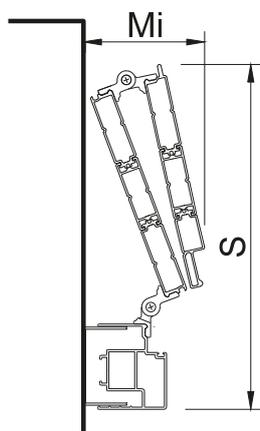

GIOVE 16 è un prodotto elegante ed adatto per grandi superfici mediante l'utilizzo di specifici binari e cerniere con carrello scorrevole ripiegandosi tipicamente verso l'interno.

GIOVE 16 è realizzabile nelle versioni finestra e portafinestra con telaio di cassa perimetrale registrabile che permette di ovviare ad eventuali fuorisquadro.
